

# Happy Valentine's Day!

When I die, I want you  
to consent to donating  
my organs and my tissues.  
That way, my heart will  
continue beating for you.

And my heart valves...  
And my lungs...  
And my kidneys...

On this day of love,  
I'm giving you  
my heart...

YOUTH MADE **AWARE**  
WELL-INFORMED **FAMILIES**  
MORE LIVES **SAVED**
